DECEMBER CHRISTMAS LUNCHEON

Our annual Christmas luncheon was held at the Thunder Bay Restaurant in Rockford, where we had our choice of ordering from the extensive menu or choosing our food choices from the brunch buffet. Those attending and enjoying the food and conversations were Browns, Gastels, Hickses, Dean, Korzuns, Esther, Watnes, and Dave. We were also very pleased to meet our newest guest members, Jim Leamy from Lena and Fred Whitney and his partner, Juanita Wilson. Some conversations were livelier than others but perhaps the one comparing different types and hookups of C-Pap machines was the most educational! Members brought wrapped gifts for the kiddos at the Rockford Rescue Mission so they could have a Christmas, too. Thanks! We're an amazing group who shares willingly with others less fortunate. Some members will be heading south for the winter, while others will continue to enjoy each others' company throughout the winter months.

MEMBER NEWS

●It was a pleasant surprise to have Dean at the luncheon since he was usually in Florida by then but his therapy wasn't quite over so he had to stay around a little longer.

●A BIG thanks to Gwen and Tina for making hats for the Ronald McDonald House patients who live at the houses. They were picked up by the gal who is the flight attendant for the McDonald corporate plane and she was thrilled with them! Thanks, gals, for a job well done and definitely needed!

●Dave's daughter was married last month and he was happy everything had gone well!

●Kudos to Browns who again took our gifts to the Mission for the kiddos! Thanks for offering to do this for us, Gwen and Lee. You always step up and we appreciate it!

●Our sympathy to Korzuns on the death of Richard's brother this past month. Our thoughts and prayers for comfort go out to your family.

JANUARY LUNCHEON

Mary's Market, Café, and Bakery is located on E. State Street. There are two other locations in Rockford so be sure you come to the right one! It will be fun to hear stories of Christmas plans that were wonderful and perhaps some that just didn't work as planned as we relax after the hustle and bustle of Christmas. Hopefully the weather will cooperate! PLEASE let Ginger or Kathi (numbers on first page in red ink) know if you can attend! The restaurant needs to know how to plan for their servers, etc.

HUMOR CORNER

After school one day, grandma picked up her granddaughter, Kate, and brought her home. They were enjoying eating some cookies when grandma asked, "What did you learn in school today?" Kate answered, "We learned how to make babies." Grandma gasped and asked, "What did the teacher tell you to do?" Kate replied, "It's easy. You just change the 'y' to 'i' and add 'es'."
